2. COMMITMENTS; DISBURSEMENT; PROMISSORY NOTES

2.1. Commitment to Lend. (a) The Maximum Principal Amount may be drawn down from time to time until October 20, 2018 in one or more Loans made prior to the Maturity Date (each a "**Drawdown**"), upon prior written request of at least ten (10) Business Days from the Borrower to Lender (each, a "**Drawdown Request**"), which Drawdown Request must

Execution Version

state the amount requested to be drawn down - provided that the representations and warranties made by the Borrower in Section 9 below shall be true and correct at the time of the delivery of the Drawdown Request and upon the making of such Drawdown. Such Drawdown Request shall constitute the Borrower's irrevocable commitment to borrow the amount specified in the Drawdown Request. Subject to the satisfaction of the foregoing, the Lender shall fund an amount specified by each Drawdown Request within ten (10) Business Days after receipt of a Drawdown Request. Notwithstanding anything to the contrary, in no event shall the Lender be obligated to fund a Loan that will result in the aggregate outstanding principal amount of all Loans made under this Agreement, to exceed the Maximum Principal Amount.

(b) Drawdowns made by the Borrower shall be evidenced by one or more accounts or records maintained by the Lender in the ordinary course of business; provided that the failure of the Lender to make any such recordation (or any error in such recordation) shall not affect the obligations of the Borrower hereunder. The Lender may also attach schedules to this Agreement and endorse thereon the date and amount of the Drawdowns and payments with respect thereto, as indicated in Schedule A. The Borrower may keep evidence of Drawdowns made by the Lender, which may, upon mutual agreement of the Borrower and the Lender, be used in substitution of the Lender's records.

2.3. Notes. Along with each Drawdown Request, the Borrower, as issuer, shall execute and deliver two (2) promissory notes for the Lender, evidencing the amount required in such request as a Loan, and the other evidencing the amount of interest to be accrued to such Loan (such promissory notes, together with any promissory note issued in substitution or replacement of all or a portion thereof, the "**Notes**"), governed by Brazilian Applicable Law. In the event of a conflict between the terms of this Agreement and the Notes, the terms of this Agreement shall prevail. To the extent necessary to properly reflect the terms of this Agreement, promptly, at Lender's request from time to time, and at the expense of the Borrower, the Borrower shall execute and deliver to the Lender, in exchange for any of the Notes theretofore delivered to such Lender, a new Note. Without prejudice to the foregoing, in the event the Borrower, at any time, makes any payment that is applied to principal and accrued interest (as a result of the principles of payment provided for in Section 3.1(a)) that results in complete payment and satisfaction of amounts owed under any Notes, the Lender shall surrender the Notes corresponding to the amount paid by the Borrower in such event for cancellation. Any Notes cancelled pursuant to this Section 2.3 will not be reissued or assigned to any Person.

2.4. Use of Proceeds. The Borrower shall use the proceeds of this Agreement in order to fulfill the corporate purposes set forth in the Articles of Organization, including the construction, development and operation of Wendy's® restaurants. The proceeds of this Agreement may also be used to make distributions or pay dividends to the Quotaholders in accordance with the Limitada Agreement so long as (a) no Event of Default has occurred which is continuing or is occurring, (b) a Drawdown is not made solely or with the intent to make such distributions or pay such dividends, and (c) the Borrower will have sufficient funds to support items (a), (b) and (c) of Section 8.4 of the Limitada Agreement after making any such distributions or paying any such dividends.

3. PRINCIPAL REPAYMENT; COMMITMENT FEE

3.1. Payment of Principal.

(a) The unpaid principal balance of the Drawdowns and all accrued but unpaid interest thereon shall be due and payable in full in cash in immediately available funds on October 20, 2020 (the "**Maturity Date**").

(b) All payments under this Agreement will be made in Dollars and pursuant to Section 8 hereof. The Borrower may, in its sole discretion, upon at least ten (10) Business Days' prior written notice to the Lender, prepay the outstanding amounts under this Agreement in whole or ratably in part, without premium or penalty. For the avoidance of doubt, interest shall accrue on any outstanding principal amount, in accordance with Section 4.1 below, until prepayment of such outstanding principal amount is made. Any amount prepaid under this Agreement shall be applied in the following order: first, towards any amounts outstanding for items other than accrued interest and principal amounts, second, towards accrued interest and remaining amount towards principal. The Loan is available only on the terms and conditions specified herein and, once repaid, in whole or in part, at the Maturity Date or by prepayment, may not be reborrowed in whole or in part, unless otherwise mutually agreed by the Lender and the Borrower. Nothing herein shall restrict the Borrower from refinancing the Loan resulting in payment in full of all principal interest and other amounts under this Agreement with a third party at any time during the term of the Loan, provided that all actions are taken in accordance with the Master Franchise Agreement, the Limitada Agreement and Applicable Law, and provided further that any consent from Quality Is Our Recipe or Wendy's Holdings thereunder may not be unreasonably withheld.

(c) Notwithstanding anything to the contrary hereinabove, in the event that the Borrower has timely paid all accrued interest payments and no Event of Default has occurred and is continuing hereunder prior to the Maturity Date, Borrower shall have the right upon notice to the Lender within one hundred and twenty (120) days prior to the Maturity Date, to defer the Maturity Date until October 20, 2021 at the same terms and conditions as provided herein, except that the interest rate may be adjusted by the Lender to an acceptable commercially reasonable market rate.

(d) In case of deferment of the Maturity Date or prepayment of outstanding amounts under this Agreement in whole or ratably in part, the Borrower shall be responsible for obtaining all authorizations, approvals of, filings with, or notices to, any third party, entity or authority that may be required for such deferment or prepayment, as the case may be, including, but not limited to, amendments to the registry of the Loans with the Central Bank of Brazil (*Banco Central do Brasil*) (the "**Central Bank**"), performance of symbolic currency exchange transactions and payment of all applicable taxes within the time period required by Applicable Law and deliver evidence of same to Lender.

3.2. Commitment Fee. The Borrower agrees to pay to the Lender, for the period commencing on the date hereof through October 20, 2018 with respect to the Lender's commitment to lend the

Execution Version

Maximum Principal Amount, a commitment fee equal to one tenth percent (0.10%) of the sum of the average daily difference between aggregate outstanding amount of Loans made hereunder and the Maximum Principal Amount (whether or not then available), as calculated by the Lender, payable in arrears in cash on each Payment Date through October 20, 2018, commencing on the first Payment Date.

4. INTEREST AND PENALTY

4.1. Payment of Interest.

(a) Interest shall accrue daily at a rate equal to six and half percent (6.5%) per annum (the "**Interest Rate**") beginning on the date of receipt by the Borrower of the proceeds of the Drawdowns ("**Interest Commencement Date**") on the unpaid principal balance of the Drawdowns and shall be payable on the Payment Dates; provided that Lender may, at its discretion, upon at least ten (10) Business Days' prior written notice to the Borrower, defer the Payment Dates at any time. Interest will be calculated on the basis of a 365-day year and the actual number of days elapsed by multiplying the unpaid principal balance of the Drawdowns by the interest rate, multiplying the product thereof by the actual number of days elapsed and dividing the product so obtained by 365.

(b) Without prejudice to Section 4.1(a), so long as an Event of Default established in Section 12.1(a) has occurred and is continuing, default interest shall be deemed to accrue at one percent (1%) per month over the unpaid principal balance of the Drawdowns, on a simple interest basis, retroactive to the date of the Event of Default established in Section 12.1(a) on the unpaid principal amount of this Agreement, outstanding from time to time through the date on which such Event of Default ceases to exist. So long as any other Event of Default has occurred and is continuing, a default penalty of two percent (2%) over the unpaid principal balance of the Drawdowns shall apply until the date on which such Event of Default ceases to exist. Notwithstanding the foregoing, the payment of any default interest is subject to the any limitation as provided by Brazilian Applicable Law.

(c) In no event shall the amount of interest or default interest due or payable under this Agreement exceed the maximum rate of interest or default interest, as the case may be, allowed by Brazilian Applicable Law and, in the event any such payment is inadvertently paid by Borrower or is inadvertently received by the Lender, then such excess sum shall be credited as a payment of principal, unless the Borrower shall notify the Lender in writing that the Borrower elects to have such excess sum returned to it forthwith. It is the express intent of the parties hereto that the Borrower not pay and the Lender not receive, directly or indirectly, in any manner whatsoever, interest in excess of that which may be lawfully paid by the Borrower under Applicable Law.

6. OTHER MATTERS RELATING TO THE LOAN

6.1. Illegality. Notwithstanding any other provision of this Agreement, if any Change in Law makes it unlawful for the Lender to perform its obligations hereunder including to make any Loan hereunder, (a) the obligation of Lender to make the relevant Loans shall be suspended until the circumstances causing such suspension no longer exist and (b) if such Change in Law shall so mandate, the Loans shall be prepaid by the Borrower, together with accrued and unpaid interest thereon and all other amounts payable by the Borrower under this Agreement, on or before such date as shall be mandated by such Change in Law.

(b) Failure or delay on the part of Lender to demand compensation pursuant to this Section 6.2 shall not constitute a waiver of Lender's right to demand such compensation; *provided that*, the Borrower shall not be required to compensate Lender pursuant to this Section 6.2 for any increased costs or reductions incurred more than 180 days prior to the date that Lender notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's intention to claim compensation.

If any such Taxes that are not Excluded Taxes ("**Non-Excluded Taxes**") are required to be withheld from any amounts payable to Lender hereunder, then (i) the amounts payable to Lender shall be increased by such additional amounts (the "**Additional Amounts**") necessary to yield to Lender (after payment of all Non-Excluded Taxes and Additional Amounts, including any Non-Excluded Taxes levied on Additional Amounts) interest or any such other amounts payable hereunder, and (ii) the Borrower (subject to the right of the Borrower to contest such Taxes in good faith through appropriate proceedings, so long as proper reserves are maintained and Lender is paid the full amounts payable hereunder) shall make the required withholding and pay the full amount withheld for such Non-Excluded Taxes to the appropriate taxing

Execution Version

authority in accordance with Applicable Law. Whenever Non-Excluded Taxes are to be withheld and payable by the Borrower, within 30 days after the date of the applicable payment, the Borrower will show to Lender evidence of payment of such withholding taxes. If the Borrower fails to pay and remit evidence of the payment of any Non-Excluded Taxes when due to the appropriate taxing authority, the Borrower will indemnify and forthwith reimburse Lender for incremental Taxes, interest, penalties, loss, liability, claim or expense (including reasonable attorneys and other fees and expenses), if any and only to the extent applicable, that become payable by Lender as a result of any such failure. This indemnity shall survive termination of the Agreement and payment of the Loans.

(a) except as otherwise permitted under the Quota Pledge Agreement or the Limitada Agreement (but only as long as no Event of Default has occurred which is continuing or is occurring), the Borrower will not (i) consolidate or merge with or into (or permit any subsidiary to consolidate or merge with or into) any other Person other than a subsidiary, provided that, in the case of any consolidation or merger by the Borrower with or into a subsidiary, the Borrower shall be the surviving entity, or (ii) sell or otherwise dispose of (or permit any subsidiary to sell or otherwise dispose of) a material portion of its property or assets in one or more transactions, in each case, for so long as this Agreement is in force; provided, however, that if any such consolidation, merger, sale or disposition occurs pursuant to and in compliance with the provisions of the Limitada Agreement and the Master Franchise Agreement, such event shall not be deemed an Event of Default so long as the principal, interest, and other amounts owed under this Agreement are paid to the Lender at the closing of the respective event; and

(b) for as long as this Agreement is in force, the Borrower shall not (a) declare or pay any dividend or make any distribution on or in respect of its capital stock; (b) make any principal payment on, redeem, repurchase, or retire any outstanding debt; or (c) increase the compensation (including bonuses and incentive compensation) paid to any consultant or employee other than in the ordinary course of business consistent with past practice, in each case, provided that the Borrower may declare or pay a dividend or make such a distribution if (i) no Event of Default has occurred which is continuing or is occurring, (ii) a Drawdown is not made solely or with the intent to make such distributions or pay such dividends, and (iii) the Borrower will have sufficient funds to support items (a), (b) and (c) of Section 8.4 of the Limitada Agreement after making any such distributions or paying any such dividends. The parties hereto, including the Quotaholders acknowledge and agree that Section 8.4(c) of the Limitada Agreement is not to be interpreted to provide for a reserve for the payment of the entire principal amount, but only a reserve for the current interest payment of the Debt Financing for the next 12 months (as such term is defined in the Limitada Agreement).
